

We are delighted to offer an exceptional and immersive set of summer programmes where your child will improve their language, confidence and skills in a friendly, fun and safe environment. Established 40 years ago and are now present in nine countries with more than 50 schools and over 18.000 students.

SUMMER SCHOOL 2019

Our Courses

Choose from a variety of courses to suit your child's interests, whether they wish to focus purely on language or to combine it with a specialist option

International Community School

**24th June - 23rd August
2019, London, UK
(Day Programme)**

ICS is a thriving international school located in the heart of London, inspiring pupils of all ages to be agile learners in an inclusive community. The ICS Summer School offers expert language tuition for children at all levels from **3-17 years old**. In 2019, ICS celebrates 40 years as a summer school and has welcomed over 50,000 students throughout the years.

Three options are available, all boosting language skills through inspiring activities and projects in the vibrant city of London.

- **The English School Experience (Age 3 -17)**
- **Conversational English in London (Age 14 - 17)**
- **Ticket to UK Universities (Age 15 - 17)**

FEES :

£595 per child per week, lunch included
£90 registration fee.
£200 return transport from airport (optional)
£75 bus pick up and drop off (optional)

General Information

Safety:

NACE is committed to safeguarding and promoting the welfare of all students. Safety is a priority. When learners join the school, they have a full induction covering all aspect of school life including health, safety and well-being. Children are supervised by staff members at all times during the day including during meals, break times, activities on and off site, and excursions. As part of our commitment to safety and welfare we aim to nurture personal, social, health and economic (PSHE) education in each learner that joins our programme. We have included one session of PSHE per week so that children can acquire the knowledge and skills they need to thrive. Topics include health, dealing with different feelings, celebrating difference, online safety, global engagement and bullying.

Airport Transfers:

Students under 16 will be collected by the team directly from the relevant airline company. Students aged 16 or over should make their way to the exit of the terminal where they will be met by our reception team who will be holding a sign. On their return, our staff accompany all students right up to check in and will only leave the airport after the student's flight has taken off. NACE will provide students and parents with the mobile phone number of the person in charge of the transfer.

Travelling:

Please ensure that your children travel with an authorization to leave their country of residence. Please note that the Eurostar from Paris or Brussels does not handle unaccompanied minors under 12 years old. We recommend purchasing travel insurance.

Food:

Our school caterers provide freshly prepared meals everyday and both meat and vegetarian choices are available. All meals are served with fruit and vegetables. We can cater for special dietary needs. Please let us know of your requirements when booking.
